### **Accommodations**

The "Wilderness" vessels are expedition ships capable of nimble exploration through nature's most dramatic hideaways. The shallow draft and hull design allow easy access to Southeast Alaska's wildlife-rich shores and glacially-fed inlets and serve as ideal "launching pads" for an exciting array of daily adventure excursions. The interior spaces offer contemporary colors that complement the wilderness outside and the public and private spaces are loaded with amenities.

Three accessible decks are fully equipped for comfort and action. There is a sun deck, an on-deck hot tub, fitness equipment and lots of room for outside observations for the ever-changing wildlife and scenery. The EZ Dock kayak launch platform makes getting in the water a cinch for experienced and novice kayakers. On-board are tandem-sea kayaks, stand-up paddle boards, inflatable skiffs and yoga mats.

Cabins offer a private bathroom with a shower. A collection of eco-friendly toiletries (conditioning shampoo and body wash), towels, hair dryer, iPod docking station, and television/DVD player (for video viewing only) is provided.

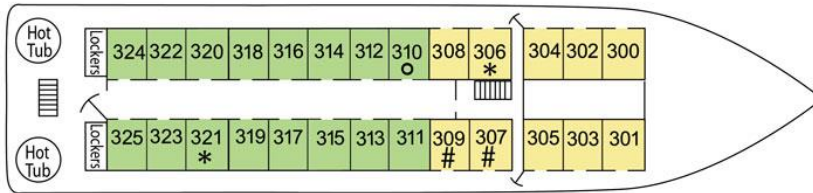

Please note: Most cabins on the Wilderness Explorer have fixed twin beds and will not be available to make into one queen bed.
